Please fill out with depth and don't be afraid to add too much information and please be honest! These are one of the hardest breeds to train and own. I want to make sure to do my dogs justice. Also help potential owners in finding the best homes for them that will be life long and as easy as possible.

1. Have you owned a Bull Terrier before? If not what breeds do you have experience with?
2. Any children, ages and sex?
3. How did you find MMW?
4. Any other pets, breed, age, sex, altered or not and temperament?
5. Rent or own? House, apartment, etc.? Fence, height and type? Give details please.
6. Any plans of moving in the future?
7. What method of training do you use?
8. What brand of food do you plan to feed?
9. Have you crate trained before?
10. What form of exercise do you plan to give?
11. Can you dedicate 30-45 min a day of constructive exercise?
12. Give an example of constructive exercise?
13. Are you willing to give yearly updates?
14. Do you plan to breed the dog when old enough?
15. Are you willing to spay or neuter (1-2 years) if you're a pet home not a show home?
16. When a puppy is mouthing you, snapping and biting what would you do to correct it?
17. Are you seeking a male or female?
18. Do you understand MMW BT only guarantees sex not color?

23. What temperament of a dog do you think would best fit your family's life style?
24. Are you capable of keeping a dog during "puberty" and not allowing it to be bred or escape to impregnate other dogs? MMW dogs going into pet homes are to be altered at one year of age but between 4 months-1 year of age there is a possibility of a heat and males are capable of reproducing but this should NOT happen. Is this a responsibility you can manage and will take appropriate action for if it does happen (immediate spay or neuter/ FINE). This is something that will not be tolerated by MMW and MMW takes seriously.
25. Under what circumstance would you rehome the puppy or dog as an adult (death in family, aggression, prey drive, health of human or dog, moving, etc.)?

26. Reason for wanting a Bull Terrier?

27. Please name three facts about Bull Terriers.
